

Practical Holiness—1 Peter 1:14-16
Greg Stiekes, Pastor

Peter urges that believers be holy in all their “conduct,” or in every area of their lives. But what does it really mean to be “holy” in everyday life? In this text, practical holiness has two distinguishing features:

1. Practical holiness is an act of obedience.
...as obedient children...

2. Practical Holiness is an act of non-conformity.
...not conforming yourselves to the former lusts, as in your ignorance...
