

Praying Like Jesus – Mark 14:36  
Greg Stiekes, Pastor

The prayers of Jesus as recorded in the Gospels are supreme examples of how we should order our own prayers. In this text, Jesus' prayer on the night of His betrayal and arrest instructs us how to approach our heavenly Father when we go to Him in prayer:

1. We must be mindful of our *relationship* to God.  
*Abba, Father*
2. We must recognize our *dependence* upon God.  
*All things are possible for You.*
3. We must bring our *requests* before God.  
*Take this cup away from Me..*
4. We must *surrender* our will to the will of God.  
*Nevertheless, not what I will, but what You will.*
