

Making it Out Alive – 1 Corinthians 1:30  
Greg Stiekes, Pastor

Jesus' coming to die for our sins was a divine rescue mission to save those who are perishing. Only "in Christ Jesus," can we make it out of this world alive, for Jesus alone can provide for us those saving graces which will take us from this life into the very presence of God. Through the grace and wisdom of the Father:

1. Jesus has become our righteousness.

2. Jesus has become our sanctification.

3. Jesus has become our redemption.
