Greg Stiekes, Pastor

When Pharaoh pursued the Israelites into the wilderness to destroy them forever, the LORD revealed Himself as the Champion of His people, a Divine Warrior to deliver them. In this narrative where God fights for His people, we learn several important lessons about our God as a Man of War:

1. The People of the Divine Warrior
2. The Strategy of the Divine Warrior
3. The Deliverance of the Divine Warrior
4. The Glory of the Divine Warrior
