

The Qualities of Jesus' Service – Philippians 2:8
Greg Stiekes, Pastor

In order to impress upon the minds of the Philippian believers the importance of serving others in the body of Christ, Paul can think of no greater example than that of Jesus Himself. In Philippians 2:8, the text alludes to *three outstanding qualities* of Jesus' service on earth that we as believers should imitate as we identify with Him.

1. Humility: the attitude of Jesus' service
...He humbled Himself...

2. Obedience: the expression of Jesus' service
...and became obedient to the point of death...

3. Sacrifice: the extent of Jesus' service
...even the death of the cross.
