

God, the Holy One: Exodus 19-20
Greg Stiekes, Pastor

As God gathers His people to enter into a covenant with them, He reveals to them one of His most fearful attributes: He is *holy*. There are three features about this amazing encounter at Sinai which highlight God's holiness and its implication for our lives today.

1. The inaccessibility of God.
You shall set bounds for the people...(19:12).

2. The consecration of the people.
So Moses...sanctified the people...(12:14).

3. The establishment of the law.
You shall have no other gods before Me (20:2).
