

What Angels Strain to See – 1 Peter 1:10-12
Greg Stiekes, Pastor

The light-weight caricatures and symbols of angels that we see in our culture are not the angels of the Bible, which are magnificent, fearsome, and majestic. Most often, the first words of an angel are, "Do not be afraid!" Yet, 1 Peter 10:12 says that our salvation the angels strain to see for two reasons:

1. Anticipation: They long to see redemption completed.

2. Fascination: They wonder what it is like to be redeemed.
