## The Perfect Human Being—Psalm 2:5-9, 14-15 Greg Stiekes, Pastor

Last week, we celebrated three marvelous privileges that mark the uniqueness of being human. This morning, we consider the Lord Jesus as the perfect human being, who entered our humanity that he might die as our representative. In Jesus, we see the wonderful qualities of the human creation fully exalted.

1.	The devotion of Christ—His capacity for worship.
2.	The dignity of Christ—His position of honor.
3.	The dominion of Christ—His ability to rule.
