## Trophies of God's Redemption—Col 4:7-18 Greg Stiekes, Pastor

It may be tempting to overlook the cluster of names and instructions which appears at the close of Colossians. However, these particulars remind us that Paul is writing to real-world people in whom and through whom God is advancing the church through the redemption that is in Christ. We are instructed and challenged when we consider:

1.	The Couriers of the Colossian Letter (4:7-9)
2.	The Fellow-Workers remaining with Paul
	a. Three Jewish believers (4:10-11)
	b. Three Gentile believers (4:12-14)
3.	The Church at Colossae (4:15-18)
