

The Intervention of God—1 Kings 17:8-24

Greg Stiekes, Pastor

“Many widows were in Israel in the days of Elijah,” Jesus says in Luke 4:25-26, “but to none of them was Elijah sent except to Zarephath, in the region of Sidon, to a woman who was a widow.” This intervention in the life of a Phoenician mother encourages us concerning several astonishing attributes of our God:

1. The Care of God

2. The Power of God

3. The Call of God.
