

The Sin of Small-Mindedness in the Church –
Eph. 1:7-10; 4:1ff.
Greg Stiekes, Pastor

Our view changes when we see the ‘big picture.’ What was once a huge deal becomes small; and what seemed insignificant becomes very important. This is precisely the lesson God wants to teach us in Ephesians as Paul presents the ‘big picture’ of what is really going on in the Church. We will look briefly at this ‘big picture’ and then at what a proper perspective teaches us about being the Church.

1. The Plan of the Ages: Cosmic Redemption (Eph. 1:7-10)

2. The Life of the Church: Corporate Reconciliation
(Eph. 4:1ff.)
