

From Sabbath to Lord's Day – Heb. 4:1-11

Greg Stiekes, Pastor

The author of Hebrews argues that there remains a *Sabbatismos* or 'Sabbath rest' for the people of God (4:9). This morning we take time to explore the nuances of this 'rest' and its implications for Christ's church, moving from the ordination of the Sabbath in the OT to the consummation of the Sabbath in the Eschaton. Above all, we celebrate the coming of the believer's rest through Christ our Savior.

1. The Ordination of the Sabbath in the OT:

Anticipation of the Savior

2. The Clarification of the Sabbath in the Gospels:

Lordship of the Savior

3. The Celebration of the Lord's Day in the Church:

Rest in the Savior
