

The Testimony of Biblical Faith, Part 2

Hebrews 11:1-7

Pastor Greg Stiekes

The author now offers examples of those who had the faith spoken of in verse 1, those who were assured of what they were promised and convicted about what they could not see. He begins with three men who lived before the Flood, who each bore a testimony of righteousness through faith, a testimony that still admonishes us today.

1. The Testimony of Abel: He was righteous before God.
2. The Testimony of Enoch: He pleased God.
3. The Testimony of Noah: He obeyed.
