

The Healing of the Paralytic *from* Mark 2:1-12
Pastor George Stiekes

Jesus could have focused His entire ministry healing the sick, casting out demons, and feeding people. While many today focus on those ministries, that was not the reason for His coming to this earth. He purposely chooses a paralyzed man to reveal the purpose of His mission.

1. The Predicament of the Paralytic (2:1-4)
 - a. The Intervening by His Friends (2:1-3)

 - b. The Ingenuity of His Friends (2:4)

2. The Provision for the Paralytic (2:5, 11-12)
 - a. Spiritual Healing (2:5)

 - b. Physical Healing (2:11-12).

3. The Protest of the Scribes (2:6-7)
