LIBERATING A DEMONIAC *from* MARK 5:1-20

Pastor George Stiekes

In the four Gospels, there are thirty-five recorded miracles that display Christ's power over nature, disease, demons, death and Hell. There were certainly many more miracles that He performed. Of all the accounts in Scripture of people possessed by evil spirits, the man described in our text is the worst case.

1. The Man's Desperation (5:2-5)

2. The Man's Deliverance (5:6-13)

    a. The Panic of the Demons (vv.6-7)

    b. The Plea of the Demons (vv. 8-13)

3. The People's Disbelief (5:14-17)

4. The Man's Desire (5:18-20)
