

HUMBLE YOURSELF *from* LUKE 14:7–11

Pastor Greg Stiekes

Jesus, having accepted an invitation to a meal, counsels the other guests about how they should posture themselves at banquets (cf. Prov 25:6–7). Yet couched within this sage advice is Jesus' *real point*—an eternal truth about how we should posture ourselves before God. As we work our way through this text, we make three observations which teach us what it means to embrace the *humility* which is exalted by God.

1. Our Urge to be First

2. The Example of Jesus

3. The Virtue of Humility
