

# MINDFUL OF THE WORDS *from* 2 PETER 3:1-7

Ryan Martin, Associate Pastor

Peter knows how weak we are. He knows how easily our feeble minds forget. And so he writes this letter to them so that they keep in mind the teachings of God's word. Be mindful of God's word. Let your mind be filled with it.

The text suggests three reasons to remember the Word of God:

1. We should remember the word of God because it has come to us through the Lord's messengers and the inspiration of the Holy Spirit (3:2).
2. We should remember the word of God because it surpasses the opinions of men that come to us through ignorance and lust (3:3-4).
3. We should remember the word of God because all of human history is sustained through the word of God (3:5-7).
