

# ANOTHER FEAST *from* MARK 8:1-21

Pastor George Stiekes

The disciples did not know what to do with the hungry crowd, even though they earlier witnessed Jesus feeding 5,000 (Mark 6:30-44). As Christ began to teach them, they further revealed their defective faith and understanding by not knowing what Jesus meant by the leaven. We can understand why the Pharisees failed to understand, but the disciples should have had spiritual insight.
