

"Nebuchadnezzar's Empire Vision"

Daniel 2: 28-49

Pastor George Stiekes

God used a dream to communicate to Nebuchadnezzar the future kingdoms of the world. He was a powerful king with the ability to conquer empires, but he could not understand the message of God. God intervened through Daniel revealing how God establishes both rulers and their kingdoms. As a result, the lives of the king's wise men were spared and we have this incredible prophecy revealing the validity of God's Word.
