

God Who Is Here – Exodus 3:1-4:17
Greg Stiekes, Pastor

Every time Moses tries to excuse himself from God's call, God's answer is the same: "I will be with you." There are several wonderful ways by which the Lord reveals His divine presence in this text. This morning, we will focus only on one: "the angel of the LORD." His appearance to Moses and the nation of Israel instructs us concerning the continual presence of God. *Why the angel of the LORD?*

1. He appears as a *deliverer*.

2. He appears as a *guide*.

3. He appears as a *mediator*.
