## The God of the Covenant – Exodus 19, 24 Greg Stiekes, Pastor

God's main purpose in meeting with His people at Sinai was to enter into a covenant with

them. By examining <i>four central aspects</i> of this special covenant, we may discern several lessons about our God which He discloses to His people as the God of the covenant.				
1. Th	he Necessity of the Covenant:	Broken fellows	ship.	

- 2. The Foundation of the Covenant: The two bases are...
  - a. The choice of God.
  - b. The word of God.
    - (1) God's promises
    - (2) God's commands
- 3. The Inauguration of the Covenant: A blood sacrifice.
- 4. The Ratification of the Covenant: Restored fellowship.
  - a. The commitment of obedience.
  - b. The covenantal meal.
