

The Distinguishing Features of God the Father

Greg Stiekes, Pastor

We often take great interest in what the Bible teaches about the ministries of God the Son and God the Holy Spirit. Nevertheless, the Person of God the Father is equally worthy of our attention and doctrinal reflection. How does God distinguish Himself as “Father” among the other members of the Trinity? There are at least four ways:

1. He is the decision-maker in the Trinity.
2. He governs the other Persons of the Godhead.
3. He is the ultimate object of offenses.
4. He is the ultimate object of glory and praise.
