

The “Christian” Home—Colossians 3:18-4:1

Greg Stiekes, Pastor

In a day when the biblical model of the family is under attack, we must make every effort and pray that, by God's grace, our home is truly a Christian home. What makes a home a "Christian" home? This passage offers us two major components that define a "Christian" home:

1. A “Christian” home is blessed by the presence of Christ.
2. A “Christian” home is marked by God-ordained relationships.
 - a. Marital relationships (3:18-19)
 - b. Parental relationships (3:20-21)
 - c. Occupational relationships (3:22-4:1)
