

Attend to the Word! – Hebrews 2:1-4  
Greg Stiekes, Pastor

The writer of Hebrews has exalted Christ as the 'Final Word' from God and has begun to demonstrate how the Word is superior to all other revelation, beginning with angelic revelation. But now he pauses to give us a warning: we must give careful attention to this Word for *three crucial reasons*.

1. The greatness of salvation through Christ (2-4).

*So great a salvation.*

2. The consequence of neglecting Christ (2-3).

*How shall we escape?*

3. The tendency of drifting from Christ (1).

*Lest we drift away.*
