

The Word Became Flesh – Hebrews 2:5-14  
Greg Stiekes, Pastor

In Hebrews chapter 2, He who was “so much *better* than the angels” (1:4) is now “made a little *lower* than the angels” (2:9). This statement is a reference to the humanity of Christ, leaving the author of Hebrews to explain the purpose of the incarnation. Why did the Son of God have to become a human being? Chapter 2 provides us with at least four answers:

1. So that He could *die for* us (2:9).

2. So that He could *identify with* us (2:10-13).

3. So that He could *deliver* us (2:14-16).

4. So that He could *represent* us (2:17-18).
