

Whatever Happened to the Apostles? – Various Texts

Greg Stiekes, Pastor

In order to study the apostolic fathers, we must first appreciate the apostles themselves. These are men who played one of the most essential roles in the ministry of Jesus and in the life of the early church and of whom little is really known apart from the NT documents. In this session we will briefly address three questions about the apostles:

1. Who were the apostles?
2. What are apostles?
3. What happened to the apostles?
