from Revelation 21:22-27
Ryan Martin

In these verses, John continues describing the glorious New Jerusalem and eternal state. It is in these verses that John draws our attention to four characteristics of the Eternal State that makes it especially glorious.

How is the New Jerusalem glorious?

- God and the Lamb are the temple.
- God and the Lamb are the light.
- God and the Lamb are properly worshipped.
- God and the Lamb ensure its holiness.
