

The Finality of Christ's Sacrifice, Part 2 – Hebrews 10:5-18

Greg Stiekes, Pastor

In comparison to the futility of perpetual animal sacrifices in 10:1-4, there is a profound finality in the single sacrifice of Christ, marked by phrases such as “once for all” (10:10), “forever” (10:14) and “no longer” (10:18). Last week we saw that Jesus’ sacrifice is final because it was finally a sacrifice offered in perfect obedience to the Father (10:5-10). This morning, we find a second reason Jesus’ sacrifice was final, and it leads us to behold the *empty tomb!*

2. His sacrifice culminated in decisive victory over His enemies (10:11-14).

In order for a victory to be “decisive,” what must be true?

a. The victory must be absolute.

b. The victory must accomplish its objective.

c. The victory must be permanent.

Next week:

3. His sacrifice affected the ultimate sanctification of His people (10:10, 14-18).
