

Praying in the Spirit *from* Romans 8:14-29
Pastor George Stiekes

As Christians, most of our failures are prayer failures. Many of these failures go directly to our not understanding the doctrine of the Holy Spirit and His role when we pray. It is God's will that we pray, but if we are to be effective in our praying, then we must pray in accordance as to how we are instructed to pray in God's Word, and we must recognize the provision God has made in giving us the Holy Spirit when we pray.
