

Who Is Jesus Christ? *from* Mark 3
Pastor George Stiekes

What is truth and in particular the truth about the Person of Christ? Does absolute truth actually exist? Do we truly believe in the absolute authority of God's Word or do we, like the world, define truth from the human perspective? If truth is relative, then Jesus becomes whatever a person believes Him to be. In Mark 3, He is viewed by different ones as a lawbreaker, miracle worker, someone in league with Satan, and a mad man.
