

THE SYROPHOENICIAN WOMAN *from* MARK 7:24-30  
Pastor George Stiekes

The account of the woman from Syrophenicia is unique because of the attitude of the Jewish people toward Gentiles. They considered all Gentiles, not only as heathen but also as filthy dogs. The woman is greatly distressed because her daughter had an unclean spirit. The account centers on her petition for Jesus to cast out the demon to make her daughter well.
