

“Stirring Our Spiritual Memory”—2 Peter 1:12–15  
Pastor Greg Stiekes

As Peter neared the end of his ministry to the church, he was intent not to give the Lord’s people something new, but to *stir their spiritual memory*, or make them recall what they already had. Likewise, as my pastoral ministry at Bethany draws to a close, I would like to remind you of several essential blessings that are yours as believers in Christ.

1. You have a magnificent salvation (Eph 2:1–10).

Next Lord’s Day:

2. You have the indwelling Holy Spirit (1 Thess 4:8–9).
