

## "God's Unseen Actions"

Daniel 1

Zach Sparkman

Captured by the Babylonians, Daniel helplessly watched as the city of Jerusalem was laid waste. Taken to Babylon he might have been tempted to think, "Where is God in all of this?" Disaster storms into our lives just like it did Daniel's. God was sovereign in Daniel's life. God's sovereignty is always at work; therefore, you must remain faithful to Christ.

1. God sovereignly works through disaster
2. God sovereignly works on behalf of those who stand for Him
3. God sovereignly raises up His people to accomplish His purposes
