

"Resting in God's Care"  
Psalm 23  
Zach Sparkman

Psalm 23 is one of the most familiar and well-loved passages of Scripture. In it we read of God being a wonderful Shepherd and Benefactor to his people. Yet, if we are honest, we still look to ourselves to fix our own problems and calm our own fears. And so, worry and frustration crowds our souls when we look to ourselves to provide for our own needs. Psalm 23 simply reveals that God alone is the Provider of your needs, so you must completely rest in His care.
