

## THE KINGDOM

The parables have taught us much about the Kingdom of which there are several aspects. Below is a brief summary of God's Kingdom.

### I. THE MILLENNIAL KINGDOM

A. This will be established on the \_\_\_\_\_ (Isaiah 11:9; Jeremiah 23:5; Zechariah 14:9; Matthew 6:10).

B. It's capital will be \_\_\_\_\_ (Isaiah 2:3; 62:1-7; Zechariah 8:20-23).

C. The Jewish people will be moved out of the nations where they have been for centuries (Deuteronomy 30:3-6; Isaiah 11:11-12; Jeremiah 32:37-38; Ezekiel 37:21-25).

D. It will embrace \_\_\_\_\_ of the earth (Acts 17:22-34; Psalm 72:11, 17, Psalm 86:9; Micah 4:2; Zechariah 8:22).

E. It will last for a thousand years and will be a time of peace (Isaiah 2:4), righteousness (Isaiah 11:4), non-violence (Isaiah 11:9), prosperity (Micah 4:4) and a time when all of the physical needs of society will be met (Isaiah 35:5-6; 65:19).

Other aspects of the Kingdom are referred to as the Kingdom of God, the Kingdom of Heaven and

Other than the Millennial Kingdom, we have looked at the Kingdom of \_\_\_\_\_, the Kingdom of \_\_\_\_\_, and the Kingdom of the Son of \_\_\_\_\_ (Matthew 16:28).

There is also the kingdom of the world, currently under the permitted rule of \_\_\_\_\_ but one day will become the \_\_\_\_\_ (Revelation 11:15).

2. **THE KINGDOM OF GOD** is the entire sphere of God's rule in Christ and was manifest in Christ's earthly ministry and will be established in its fullness at the end of the age.

A. **Present Kingdom** (Matthew 12:28; Luke 17:21).

B. The Kingdom of God is **DIVINE RULE** and authority given by God to \_\_\_\_\_ (Luke 22:29; John 18:36).

C. The Kingdom is expressed in dynamic \_\_\_\_\_ (Luke 11:21, 22; 10:18).

D. It is in proportion to those who receive the Word of God (good seed) into their prepared hearts (Matthew 13).

E. Remember: Except a man be born again, he cannot enter into the Kingdom of Heaven. These are those who accept the \_\_\_\_\_ in their lives (Matthew 6:33; 21:31; Mark 10:15; Luke 16:16).
